Origins

- Created as a OLPC-hosted mailing list for the SF Bay Area
- Meetings at SF State
- Spread out to the entire SF Bay Area

Purpose

- Hmm...
- Have you seen my XO? Its really cool
- $1+1 > 2$; Two XOs are more interesting than one
 - Mesh
 - Collaboration
- Long term purpose...

Plan

- Hmm...
- Meet once a month
- Thus far, we've met at SF State and LUGRadio
 - <http://opensource.sfsu.edu/node/446>
 - <http://opensource.sfsu.edu/node/459>
 - <http://opensource.sfsu.edu/node/482>
- Continue meetings
 - Find space
 - Rotate location (Universities, schools, companies...)

Projects

- Point(s) of focus:
 - Child
 - Free and Open Source Software
 - Learning
 - Education
 - Infrastructure
 - Hacking
 - All of the above

Projects

- Translation
 - <http://opensource.sfsu.edu/node/452>
 - <http://wiki.laptop.org/go/Pootle>
- School Server
 - Server Hardware
 - Can the platform be as “green” as an XO?
 - Active Antennas
 - Moodle

Projects

- University Chapter
 - What needs will it serve?
 - Learning opportunity
 - Repair Center
 - Take it to local schools

OLPC and Beyond

- Sugarlabs
- Pilot deployments
- More...
